30. Some people think that the government in Washington ought to reduce the income differences between the rich and the poor, perhaps by raising the taxes of wealthy families or by giving income assistance to the poor. Others think that the government should not concern itself with reducing this income difference between the rich and the poor.

Here is a card with a scale from 1 to 7. Think of a score of 1 as meaning that the government ought to reduce the income differences between rich and poor, and a score of 7 meaning that the government should not concern itself with reducing income differences. What score between 1 and 7 comes closest to the way you feel? (CIRCLE ONE):

Government should do something to reduce income differences between rich and poor

Government should not concern itself with income difference

IF YES OR UNDECIDED:

A. People picture life after death in many ways. We'd like to know how you think of life after death.

Here is a card with sets of contrasting images. On a scale of 1-7, where would you place your image of life after death?

Look at the first set of contrasting images. If you think that life after death is "A life like the one here on earth only better," you would place yourself at 1. If you think it is "A life without many things which make our present life enjoyable", you would place yourself at 7. If you think it is somewhere between these two, you would place yourself at 2, 3, 4, 5, or 6. Where would you place your image of life after death for ... ?

A. A life like the one here on earth only better
A life without many things which makes our present life enjoyable

| 01 | 02 | 03 | 04 | 05 | 06 | 07 |

B. A spiritual life, involving our mind but not our body
A paradise of pleasure and delights

C. A pale, shadowy form of life, hardly life at all
A life of complete fulfillment, spiritual and physical

There are many different ways of picturing God. We'd like to know the kinds of images you are most likely to associate with God.

Here is a card with sets of contrasting images. On a scale of 1-7 where would you place your image of God between the two contrasting images? (HAND CARD S)

The first set of contrasting images shows Mother at 1 on a scale and Father at 7. If you imagine God as a Father, you would place yourself at 7. If you imagine God as somewhere between Mother and Father, you would place yourself at 2, 3, 4, 5, or 6. Here is a card with sets of contrasting images. On a scale of 1-7 where would you place your image of the world and human nature between the two contrasting images? (HAND CARD T)

Look at the first set of contrasting images. If you think that "The world is basically filled with evil and sin," you would place yourself at 1. If you think "There is much goodness in the world which hints at God's goodness" you would place yourself at 7. If you think things are somewhere between these two, you would place yourself at 2, 3, 4, 5, or 6. (REPEAT EXAMPLE AS NECESSARY FOR EACH ITEM A-B).

Where would you place your image of God on the scale for ..? (READ EACH SET OF IMAGES AND CIRCLE ONE CODE FOR EACH).

160. We would like to know something about how people go about guessing words they do not know. On this card are listed some words—you may know some of them, and you may not know quite a few of them. On each line the first word is in capital letters—like BEAST. Then there are five other words. Tell me the number of the word that comes closest to the meaning of the word in capital letters. For example, if the word in capital letters is BEAST, you would say "4" since "animal" comes closer to BEAST than any of the other words.

If you wish, I will read the words to you. These words are difficult for almost everyone—just give me your best guess if you are not sure of the answer. CIRCLE ONE CODE NUMBER FOR EACH ITEM BELOW.

BEAST 1. afraid 2. words 3. large 4. animal 5. separate
