Some people think that the government in Washington ought to reduce the income differences between the rich and the poor, perhaps by raising the taxes of wealthy families or by giving income assistance to the poor. Others think that the government should not concern itself with reducing this income difference between the rich and the poor.

Here is a card with a scale from 1 to 7. Think of a score of 1 as meaning that the government ought to reduce the income differences between rich and poor, and a score of 7 meaning that the government should not concern itself with reducing income differences. What score between 1 and 7 comes closest to the way you feel? (CIRCLE ONE):

As part of another study that will be conducting a survey of churches, synagogues, and other religious congregations, we need to know how to telephone the place where you attend religious services. Your answers to this questionnaire will be kept confidential, and your name will not be used in any way. Please tell me how you would look up the place where you attend religious services in the telephone book.

Section F

**COMPLETE THIS SECTION ONLY IF ANSWERED 1 OR 2 ON SECTION A, Q.23, THAT IS, RESPONDENTS WHO WORKED FULL-TIME OR PART-TIME LAST WEEK.**

1.

How long have you been doing the kind of work you did last week (OCCUPATION DESCRIBED IN SECTION A Q.24A)? That is, at least how many years in your occupation? Please include all previous jobs of the same kind.

At least \_\_\_\_\_ years (0 if less than a year)

**IF THE RESPONDENT IS A TEACHER, ENGINEER, SCIENTIST, MEDICAL PRACTITIONER, LAWYER, ACCOUNTANT, PLEASE ENTER OPTION 1 (YES) FOR THE RESPONDENT WITHOUT ACTUALLY ASKING Q.2A.**

2. A.

Have you gone through any specialized training in school to obtain a vocational certificate, diploma, degree, or license for this occupation?

- Yes ..... 1
- No..... (SKIP TO Q.3)..... 2

**IF YES:**

B. In total, how many years have you spent (on such specialized training in school)?

- Less than one year ..... 1
- Two years or less ..... (1-2 years)..... 2
- Four years or less ..... (3-4 years)..... 3
- Six years or less ..... (5-6 years)..... 4
- Eight years or less ..... (7-8 years)..... 5
- Over eight years ..... 6

**THE RESPONDENT HAS TO DECIDE FOR ONESELF ROUGHLY HOW MANY YEARS OF SCHOOLING HAVE BEEN DEVOTED TO SPECIALIZED TRAINING FOR ONE'S CURRENT OCCUPATION. FOR A TYPICAL COLLEGE GRADUATE, TWO YEARS HAVE BEEN DEVOTED TO GENERAL EDUCATION AND THUS NO MORE THAN TWO YEARS WOULD BE SPECIALIZED TRAINING FOR ONE'S CURRENT OCCUPATION. A CORPORATE MANAGER WHO MAJORED IN BUSINESS ADMINISTRATION IN COLLEGE AND SPENT TWO YEARS FOR AN MBA WOULD GIVE "FOUR YEARS OR LESS" AS THE ANSWER TO Q.2B.**

Section F

3.

I would like to ask you a few questions about the place you worked full or part time last week. Is the place part of a larger organization or is it completely independent in finance and personnel?

- Part of a larger organization ..... 1
- Completely independent ..... (SKIP TO Q.5) ..... 2
- NOT SURE ..... 8

**INSTRUCTION:**

(1)

If the respondent is a consultant employed by a consulting firm, the place refers to an office of the consulting firm rather than the office of a client. If the respondent is a civil servant at a local, state, or the federal government, the place is a departmental level agency (e.g. department of education, department of labor), not the entire government.

(2)

The main relevant criterion for the answer is whether the work place of the respondent is just one location of a multi-location organization. If the respondent is not sure, simply record "8" as the answer. For our purposes, however, there are two special cases that can be dealt with unambiguously.

(a) If SECTION A, Q.24 suggest that a respondent is a government employee:

--

..... The interviewer should record "part of a larger organization" (option 1) as the answer without asking the respondent.

--

..... Moreover, substitute "other departments or agencies of the government" for "other parts of the larger organization" in subsequent questions.

--

..... On the relationship between the respondent's work place and the larger organization (Q.4-C), the answer should be recorded as "a government agency" (option 3) without asking the respondent.

(b) Similarly, if SECTION A, Q.24 indicate that a respondent is a public school teacher:

--

..... The interviewer should record "part of a larger organization" (option 1) as the answer without asking ..... the respondent.

-- In subsequent questions, please change the wording accordingly. For instance, the interviewer should substitute "other schools of the school system" for "other parts of the larger organization."

-- On the relationship between the respondent's work place and the larger organization (Q.4-C), the answer should be recorded as "part of a school system" (option 4) without asking the respondent.

Section F

IF PART OF AN ORGANIZATION:

4. A.

Have you ever worked full time at other parts (locations/schools/government departments or agencies) of the larger organization?

- Something else ..... (SKIP TO Q.5) ..... 5

Now we would like you to fill out a brief questionnaire on your own. This questionnaire is divided into two parts. This first section is part of an international effort to understand how people view things that affect their way of life, and includes questions about work and related activities. The final section contains a separate set of questions related to the AIDS epidemic and how to deal with it.

Remember that all of your answers are completely confidential. They will not be associated with your name in any way, and will be published in statistical form only. When you have finished the questionnaire, you will place it in this envelope, seal it, and return it to me.

There is a great deal of concern today about the AIDS epidemic and how to deal with it. As you may know, sex is one way of spreading the AIDS virus. Public health officials need to learn more about Americans' sexual behaviors, and how those behaviors relate to who gets AIDS, and who doesn't. We are also having you answer this set of questions privately, and place your answers in an envelope. The most important thing when you answer a question, is that you do so honestly since the information
